The core objective of NSS (National Service Scheme) is to contribute toward national development and for the students' creative development. Various camps are organised from time to time where students learn life skills, leadership and team work along with serving society. For this purpose, our college has two units of NSS with 100 volunteers in each unit. Unit-I came into existence from session 2018-19 and unit -II from session 2023-24. Students have to apply within due date as soon as the academic session starts. They have to do at least 120 hours of service in a year.
